Accountability Letter

Mission: To work with businesses, government, the non-profit sector, and individuals to build a positive economic environment to ensure and enhance quality of life in Trotwood and the region.

What an outpouring of togetherness during the Memorial Day Tornado Disaster. I have never experienced so much compassion and concern for others as I experienced during this tornado disaster. Not only from our community but from all over the United States of America. Trotwood Chamber did all we could to keep businesses, residents and others updated with information we received from the State, Small Business Administration and others, and we will continue to send email and posts to keep as many as possible updated.

The City of Trotwood Council has waived some fees to lessen the financial burden on residents and businesses in the aftermath of the Memorial Day tornadoes. The Council has waived fees for zoning, water, sewer and trash services for those directly affected by the EF4 tornado. Should you have questions or concerns call 937.837.7771.

Heartfelt
THANKS
TO OUR VOLUNTEERS!

Our sincere thanks to all volunteers, businesses, churches, schools and everyone that assisted during and after the EF4 tornado. You worked together to help provide services to those that needed help. I will not try to name all of you that volunteered or assisted because there are so many of you. I pray that we will continue to work together to help not only our community but wherever there is a need.

Southern Ohio Chamber Alliance donated \$250.00 to Trotwood Chamber to assist those affected by the tornado. The Chamber donated the \$250 to the Trotwood Disaster Relief Fund to assist those displaced by the tornado. You may make a donation to the Trotwood Disaster Relief Fund at any 53 Bank..

Our sincere thanks to Mary E. Garman, CFO, Miami Valley Hospital North, for making a presentation at our network breakfast Tuesday, July 9 at North Dayton School of Discovery. Also thanks to North Dayton School of Discovery for hosting and sponsoring our network breakfast.

RE: Group-Rating Safety Accountability

Dear Employer:

Each year Ohio employers have the opportunity to participate in BWC's Group-Experience-Rating Program or Group-Retrospective-Rating Program. While these programs are not required, they do provide you with an opportunity to significantly reduce your workers' compensation premiums, while increasing your awareness of safety and risk-management strategies.

Workplace safety is an important component of these programs. To succeed in accident prevention, we encourage you to use the many resources available to you. We believe a group-rating program is a partnership that includes you and your employees, your sponsoring organization or third-party administrator (TPA) and BWC. Each has specific roles and responsibilities, all designed to assist in preventing workplace accidents. This letter outlines the safety services expectations you should have as an employer enrolled in a group-rating program.

The employer will:

- Maintain a safe workplace;
- Attend safety training to enhance workplace safety;
- Use BWC's safety services as needed;
- Fulfill the required two-hour training requirement and provide proof of attendance to sponsor for claim(s) occurring within the last year.

The certified primary and affiliated sponsoring organizations will:

- Sponsor eight hours of safety training (this may be done at one time or may be provided incrementally as long as the total is at least eight hours);
 - Provide information regarding safety resources to group members;
 - Possibly assist an employer in achieving its safety needs;
 - Manage employer fulfillment of the two-hour training requirement, where applicable;
- Publish this letter to group members.

The TPA may:

- Assist sponsoring organizations with fulfilling the group-rating safety requirements;
- Assist an employer with its safety needs;
- Work in conjunction with sponsors to develop safety training and deliver safety resources;
- Provide resources for claims handling.

BWC will:

- Monitor all group-rating safety activities to confirm requirements are met;
- Remain in communication with sponsoring organizations to provide recommendations for fulfilling safety requirements;
- Provide safety training through Ohio's Center for Occupational Safety & Health;
- Offer on-site safety consultation (hazard assessments air and noise monitoring, ergonomics evaluation, training) by a BWC safety professional;
- Offer publications and videos for safety program support;
- Conduct employer visits to confirm the employer is meeting group-rating requirements, when appropriate.

The goal of this collaborative effort is to make sure all your safety needs are met. Using these resources will assist you in preventing accidents, reducing claims costs and achieving the highest discounts possible. Below you'll find contact information for various resources.
